## SYNOPSIS

Whether chefs or not, most guys know how to grill. Many of those same guys love to “cook” occasionally so they can give their spouse a much needed “night off.” This video finally reveals who really does the work on these grill-out nights.

Knowing that Christ came to serve, not to be served, this video probably wasn’t what Paul had in mind when he instructed husbands to love their wives as Christ loves the Church. Perhaps a little reflection on the meaning of service is in order.

## DISCUSSION QUESTIONS

- What is wrong with Jay’s concept of serving/blessing his wife?
- How does the Bible address the subject of marriage?
- How does the message of the video extend beyond marriage relationships?
