

## AN ANT PARABLE

Genre: Humorous

Total Running Time: 3:52

### verses:

- Isaiah 55:8-9
- 1 Corinthians 1:18-31
- Ephesians 3:4-6

### synopsis:

We know that God patterned us after His image, but that does not mean that we are exactly like God. His thoughts are not our thoughts. His ways are not our ways. Often we simply cannot understand God.

As Donald Miller wrote, "I think one of the problems [she] was having was that she wanted God to make sense. He doesn't. He will make no more sense to me than I will make sense to an ant."

### discussion questions:

- What are a few things about God that you have a hard time understanding?
- What kinds of emotions have you experienced when you face something spiritual that is difficult to understand?
- Is there a happy medium between desiring to know everything there is to know about God and simply walking by faith?
