SYNOPSIS

The Bible is an essential tool in the Christian faith. It is here that we read about what God has done, is doing, and will do. It is here that we find the greatest love story, the greatest sacrifice, and the greatest call to action. It is here that we learn how to be the people God desires us to be. It is here that we understand that we are loved and forgiven.

The Bible is the lamp to our feet and food for our souls. As this video takes you through the text that appears in the front of all Gideons Bibles, be reminded of the Bible's power and importance. (Text controlled and supplied by Gideons International, Inc.)
